SPEAKING SCRIPT

Good morning. My name is Jhon Steven Alvarez Ruiz. Today I am going to present Monserrate, one of the most famous tourist places in Bogotá. I chose this destination because it brings together nature, religion, culture, food, and an excellent view of the city. I will explain its location, its main elements, its activities, my opinion, and some recommendations for visitors.

Slide 2 — Location and Access

Target: 0:35–1:10 • Pronunciation focus: Eastern • historic • locality • summit • pedestrian • demanding

ON-SCREEN IDEAS

- Eastern Hills of Bogotá
- Santa Fe locality
- 3,152 meters above sea level
- Cable car • Funicular • Walking trail

SPEAKING SCRIPT

Monserrate is in the Eastern Hills of Bogotá, near the historic city center and in the locality of Santa Fe. Its summit is 3,152 meters above sea level. Visitors can reach the top by cable car, funicular, or pedestrian trail. Each option offers a different experience, but walking is the most demanding because the hill is high and steep.

Slide 3 – Main Elements

Target: 1:10–1:45 • Pronunciation focus: summit • basilica • religious • panoramic • Andean • cultural

ON-SCREEN IDEAS

- Basilica of the Fallen Lord
- Way of the Cross
- Panoramic viewpoints
- Cable car and funicular
- High Andean forest
- Restaurants and local food

SPEAKING SCRIPT

At the summit, there is the Basilica of the Fallen Lord of Monserrate. Inside the church, visitors can see an important religious image. Around the basilica, there is a Way of the Cross, and there are panoramic viewpoints, transport stations, restaurants, and cafés. The area also has High Andean forest. For this reason, Monserrate has religious, cultural, urban, and natural elements.

Slide 4 – Description of the Place

Target: 1:45–2:20 • Pronunciation focus: impressive • changeable • viewpoint • enormous • neighborhoods • atmosphere

ON-SCREEN IDEAS

- High • Green • Steep
- Cool and changeable weather
- A white basilica at the top
- A wide view of Bogotá
- Nature • Culture • Religion • City

SPEAKING SCRIPT

Monserrate is a high, green, and impressive hill. Its paths are steep, and the weather can be cool and changeable. The white basilica stands out against the green mountain. From the viewpoint, Bogotá looks enormous. Visitors can see many neighborhoods, buildings, and roads. The outdoor area can be lively, but the basilica offers a calm and respectful atmosphere.

Slide 5 – Activities

Target: 2:20–3:00 • Pronunciation focus: photographs • sanctuary • physical • kilometers • birdwatching • Paramuno

ON-SCREEN IDEAS

- Take panoramic photographs
- Visit the sanctuary
- Ride the cable car or funicular
- Hike 2.35 km and 1,605 steps
- Try Colombian food and coffee
- Observe birds on the Paramuno Trail

SPEAKING SCRIPT

People can do many activities at Monserrate. They can ride the cable car or funicular, take photographs, admire the city, and visit the sanctuary. They can also try Colombian food and drink coffee. People in good physical condition can hike the pedestrian trail. It is 2.35 kilometers long and has 1,605 steps. Nature lovers can enjoy a birdwatching experience on the Paramuno Trail.

Slide 6 – My Opinion

Target: 3:00–3:35 • Pronunciation focus: opinion • complete • attractions • favorite • combination • recommend

ON-SCREEN IDEAS

- One of Bogotá's most complete attractions
- My favorite feature: the panoramic view
- Nature + City + Tradition
- Recommended for families, friends, and tourists

SPEAKING SCRIPT

In my opinion, Monserrate is one of the most complete attractions in Bogotá. The panoramic view is my favorite feature because it helps us understand the size of the capital. I also like the combination of a modern city, an old religious tradition, and nature. It is a good destination for families, friends, and tourists. I would recommend it to anyone who wants to see another side of Bogotá.

Slide 7 – Recommendations

Target: 3:35–4:20 • Pronunciation focus: comfortable • sunscreen • altitude • dizzy • route • worshipers

ON-SCREEN IDEAS

- Check the official opening hours
- Wear comfortable shoes
- Bring water, sunscreen, and a rain jacket
- Walk slowly because of the altitude
- Use official routes and follow instructions
- Keep the place clean and respect worshipers

SPEAKING SCRIPT

Before going, visitors should check the official opening hours because they can change. They should wear comfortable shoes and bring water, sunscreen, and a light rain jacket. At this altitude, it is important to walk slowly and rest if you feel tired or dizzy. Visitors must stay on the official route and follow the staff's instructions. If the hike is too difficult, they can use the funicular or cable car. Finally, everyone should keep the place clean and respect people who are praying.

Slide 8 – Conclusion

Target: 4:20–4:40 • Pronunciation focus: conclusion • viewpoint • tradition • presentation • discover

ON-SCREEN IDEAS

- Monserrate connects Bogotá with nature, culture, and tradition.
- Thank you for watching.

SPEAKING SCRIPT

In conclusion, Monserrate is more than a viewpoint. It is a place where visitors can learn about Bogotá, enjoy nature, and understand a local tradition. I hope this presentation helps you discover this special destination. Thank you for watching.
